

Group Supervision: Feedback.

Supervision is a necessary part of professional practice, and we want to make it as rewarding and beneficial as possible, so please complete the following.

Ratings: (just circle a number)

Not at all useful	1	2	3	4	5	6	7	Very useful
-------------------	---	---	---	---	---	---	---	-------------

Not at all rewarding	1	2	3	4	5	6	7	Very rewarding
----------------------	---	---	---	---	---	---	---	----------------

Comments:

Of course it's nice to receive positive feedback (and the degree to which these sessions succeed is always a joint responsibility anyway) but it's also good to see suggestions for improvement, as well as feedback on what are the most useful aspects of sessions, and the most rewarding aspects. In summary, feel free to write whatever you like here!

If you don't mind giving your name, please fill it in below.
