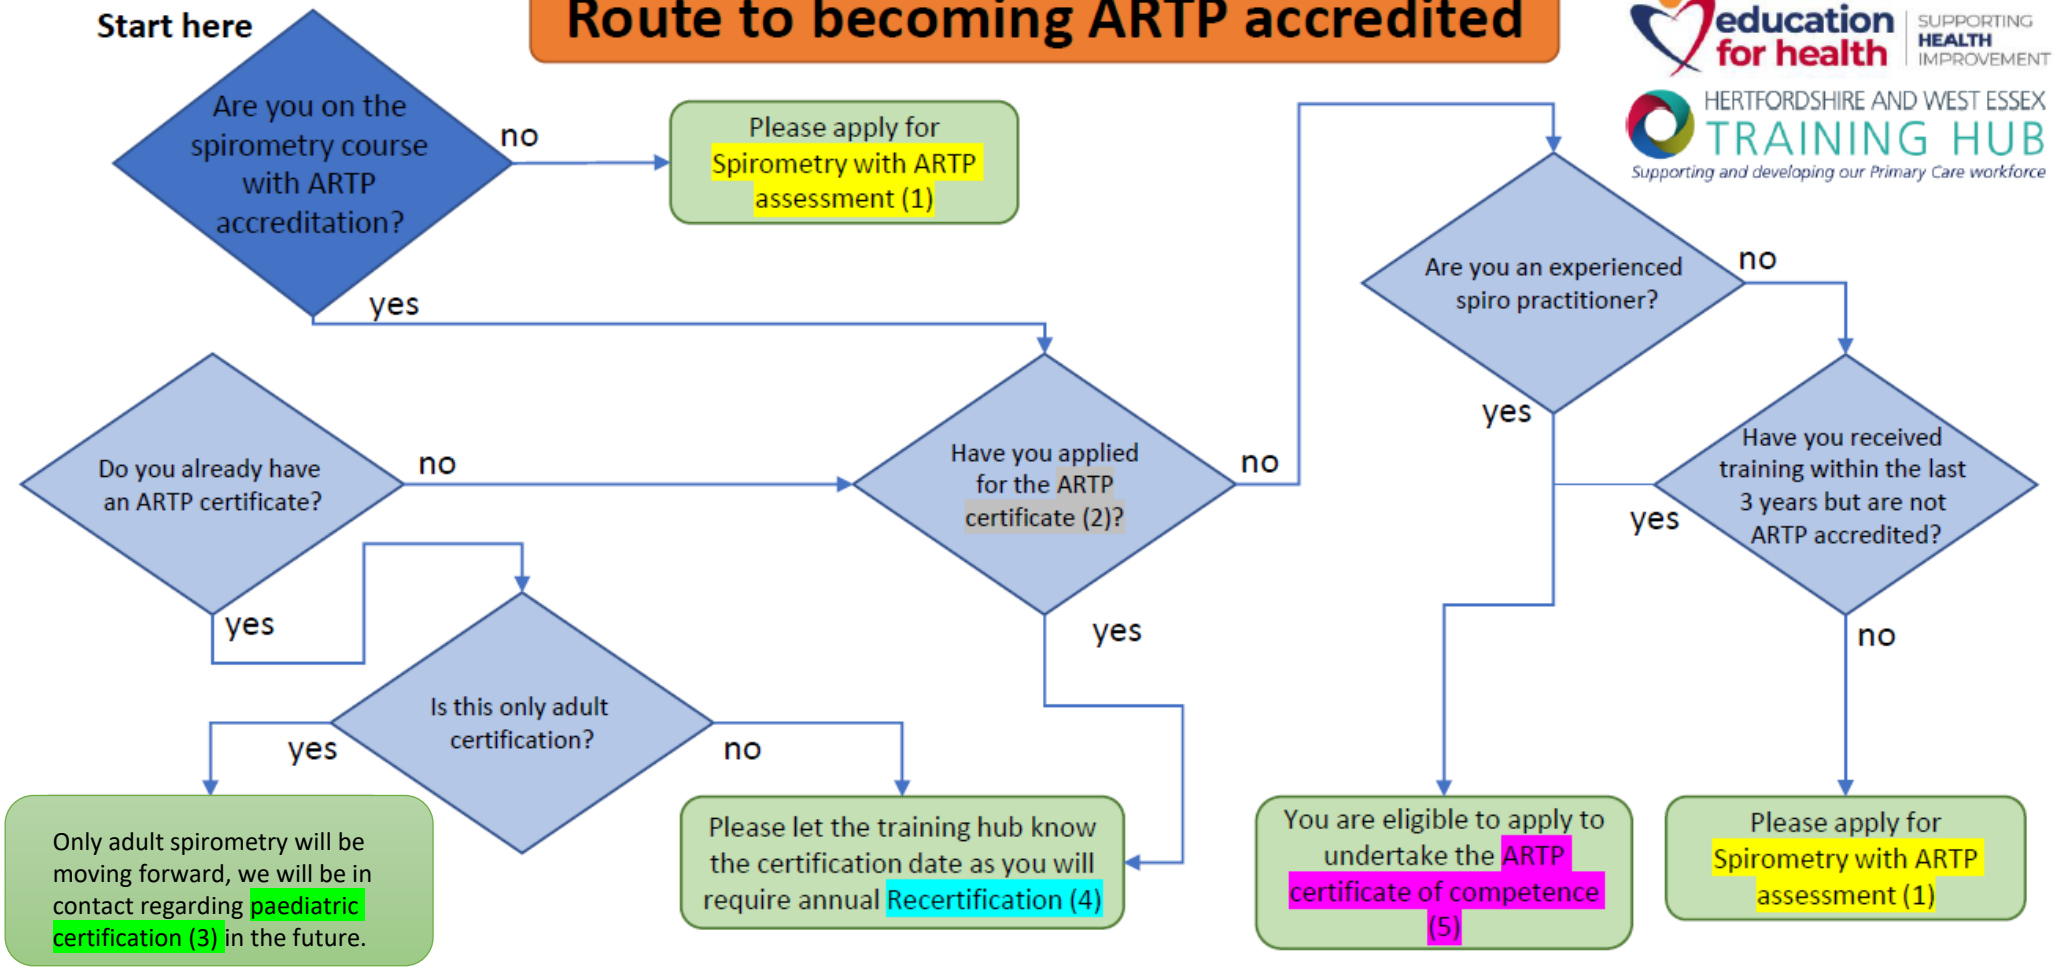
Route to becoming ARTP accredited



More info:

1. Spirometry with ARTP Assessment you will have 6 months to complete the course and apply for the ARTP certificate Spirometry-Interactive-Blended-Online-Learning-Assess-including-ARTP-assessment-access.pdf (educationforhealth.org)

2.ARTP certificate you can apply any time within the 6 months of starting to course to apply for the ARTP which they then have 9 months to complete. They can apply for an extension but if not, they have to reapply.

3. Paediatric certification: We have agreed to only proceed with adult spirometry at this stage, so paediatric spirometry will be implemented later in the journey, we will be in contact once we have an update.

4.Recertification Are ARTP trained but need an update £40 Spirometry Update Online -Six Month Extension -Education For Health

5.ARTP certificate of competence Spirometry Certification (artp.org.uk)

- The peer-to-Peer programme will provide you with an opportunity to work with a spirometry expert to answer your ongoing day-to-day spirometry clinical and service delivery questions and connect you with your peers to ensure that you are able to share best practices through virtual tutorials.

- How to apply:

Please email hwetraininghub@nhs.net and state whether you would like to apply for either option 1,2,3,4 or 5 and whether you would like to join a peer-to-peer support programme.
