Cambridge Diabetes Education Programme

CARING FOR THE DIABETIC FOOT

AIM:

This topic is designed to help **health & social care staff** provide **basic foot care and guidance** for people living with diabetes. It focuses on:

- Why people living with diabetes are at risk of foot complications.
- How to support people living with diabetes to look after their feet daily.
- Preventative care/advice and what to do if a problem arises.

DURATION:

This topic will take roughly **30-45 minutes to complete**.

The completed topic will generate its own certificate, reflection form for *revalidation* and *appraisals*... as well as CDEP rewards!

CDEP is **award winning!** This confirms that our training is on target and proving it's value. Sign into CDEP and see for yourself!
